FOR IMMEDIATE RELEASE (TSX V Symbol: AUX) October 27, 2005

Ymir Property, BC

Auramex Resource Corp. (the "Company") announces that it has now received and SEDAR filed an updated geological report on its Summit/Oldtimer property. The updated report, dated October 15, 2005, entitled "Report on Diamond Drilling on the Summit/Oldtimer Property" was prepared by David St. Clair Dunn, P.Geo., the Company's Qualified Person, in accordance with NI 43-101. The results of the drill program conducted on the property in June and July of 2005 have been previously reported in news releases dated July 11th, July 27th and August 17th. For more detail, please refer to the report in its entirety which is available on the company's website (www.auramex.com) and on SEDAR at (www.sedar.com)

Bear River Property, BC

The Company has received TSX Venture Exchange approval on the option to acquire a property located in the Skeena Mining Division, situated 25 km north of Stewart, BC, reported in a news release dated September 27, 2005. Since the announcement, the optionor, Rod Kirkham, has staked additional claims which have been added to the agreement. The payment of \$10,000 to the optionor has been increased to \$11,000, and the area covered by the agreement is now approximately 9000 hectares. The Company has also issued 50,000 common shares to the optionor as part of the initial option payment, which shares are subject to a four month hold period expiring February 27, 2006.

For further information concerning this announcement, please contact Heather Conley, President and CEO, at (604) 682-5123. For general information on Auramex, please contact Robert A. Young and Associates at 1-877-626-2121 or locally 604-682-5123, and/or refer to the Company's website, www.auramex.com.
